(Note from Peter Dawson about Other Resources available to U3A Study Groups)

The Parish of Leavesden All Saints' Resources.

While a more detailed list of resources will be published in due course the items listed below, will give you a flavour of what we have and which may be of immediate interest to U3A study group leaders, These are in addition to the Parish Hall itself which is already extensively used by SWHU3A groups:

General. - facilities of which you are already aware

- *Full AV and PA systems available in the Church* (the church system being high definition wide screen 16:9/16:10 format (HDMI lead) or VGA 4:3 format (VGA lead), with integrated surround sound system.
- *Full AV/PA systems in the Parish Hall* with VGA 4:3 or wide screen format (VGA lead connection) utilising the large screen located at the rear of the stage. (NB: Will also project wide screen images via the VGA connection)
- *St Hildas' Meeting Room* (behind stage) with large flat screen monitor fitted to main wall with CTV/DVD/VGA/HDMI connectivity.
(NB: The U3A Photoshop study group already meets here in order to take advantage of the AV/connectivity and multiple computer facilities).
- *Parish Hall Stage* - with rear access from both side wings and steps from the hall (front of stage).

Individual Items.- stored in the Parish Hall resources room under the stage

- *Hall Stage Full Lighting System, with control board (in stage wings).*
- *Rowland professional studio keyboard (which can be plugged into the Church and Parish Hall sound systems.*
- *1X Yamaha portable keyboard with internal speakers and power supply*
- *Fully interlocking display system of some 20 X 1metre square display boards with associated spot light system (as used in art in the nave).*
- *1X Smaller table standing concertina display board system, and lighting*
- *3X Free standing 'Flip Chart' easels and associated flip charts.*

- 1X Free standing 80"X 80" tripod projection screen.
- 2X Slim line DVD players
